

Interdisciplinary Graduate Program in
Molecular & Cellular Biology

Fall 2014 Workshop & Seminar Series

"Evolution of enzymes' activity"

Amnon Kohen, DSc
Professor of Chemistry
University of Iowa

**"How many ways are there to bind ssDNA?
Single-stranded DNA-binding and
chromosome maintenance"**

Marc Wold, PhD
Professor of Biochemistry
University of Iowa

**Thursday, November 6
4:00-5:00 p.m., 1289 CBRB**
